Dear Friends,

On this first day of December, this first day of the season of Advent, and this first day of a new liturgical year, we are reminded that our relationship with the Lord can always begin anew. Even as we prepare for the coming of Jesus as an infant on Christmas night, we can also make this season an opportunity to receive him more deeply into our hearts and make him more central to the way we live our lives. Let us resolve to give Jesus a new birth in our hearts as we prepare for the celebration of his birth into the world.

THIS WEEK'S SCRIPTURE LESSON: The readings on this first Sunday of Advent cover Christ's three comings. Jeremiah prophesies that God will send a Messiah, who will bring righteousness and justice to the world. Paul prays that Christ may permeate the hearts of the Thessalonians, increasing their love for each other and for all. Finally, Jesus tells his disciples that one day he will come again in glory to redeem all those who stand virtuously before him. May we be reminded that Christ came into this world two thousand years ago, will do so again at the end of time, but also continually comes into our world through our hearts.

STEWARDSHIP: Intense joy comes to those who take the risk to live as Christian stewards. Central to our human and Christian vocations, as well as to the unique vocation each one of us receives from God, is that we be good stewards of the gifts we possess. God gives us this divine-human workshop, this world and Church of ours. The Spirit shows us the way. Stewardship is a part of that journey.

A REMINDER: On Tuesday the four Councils of our two parishes meet together to discuss the past year and to look towards 2025 and plan activities that will be shared. It is wonderful to have the cooperation of the two parishes that work so seamlessly together. Also, on Wednesday there will be a presentation given to the parents and sponsors of our Confirmation class in St. Dominic Church at 6:45pm.

A QUESTION FOR THE WEEK: What will I do to prioritize Christ's coming over all the persistent anxieties of the season? Can I take ten minutes of each day this Advent to pray?

God bless,
Fr. Chuck

Vocations Spot light: "My career was flourishing. With a master's degree in ecology, I was working at the International Institute of Tropical Forestry in Puerto Rico. Things were coming together for me to pursue a doctorate and continue my career in ecological research. Only one thing was amiss: my heart was unsettled. Despite my efforts to convince Christ that there was no way I could be a nun, an undercurrent of gentle invitation remained. I took a leap of faith - well, a guarded one - and gave Our Lord a year to lay to rest the questions of a religious vocations. Surely it would be perfectly clear that I was not called to religious life and could move on with my life. God met my reluctance with much grace and persistence. Monastic life resonated deeply with how I felt called to live; ... I am humbled and grateful for the great gift of being a bride of Christ." *Sr. Christina Marie-Order of Cistercians; Columbia Magazine Nov 2024*

Pro-Life Corner: ASSISTED SUICIDE INCENTIVIZES DENYING TREATMENT

Insurance companies have turned down coverage for cancer treatment but offered to pay for suicide drugs instead. Furthermore, the disabled community already faces demoralization and oppression in seeking adequate medical care. Assisted suicide encourages this kind of prejudice. Access Living, Progress Center for Independent Living and the National Council on Disability oppose assisted suicide. People need quality medical care and treatment, not assisted suicide. Tell your state legislators to **Vote NO on SB 3499-** assisted suicide.
