

From the Parishes of St. Anthony & St. Augustine

Just a personalized note of thanks to Fr. Chuck for his presence, guidance and care. He has been serving our Parishes since August 2001.

Fr. Chuck,

***May you continue to be present in our lives and...
May God continue to bless you for saying yes to his invitation to serve, not only him, but "Us," his people.***

We may not always tell you how much we appreciate you being a part of our parish families, helping us grow spiritually and your care for us.

So, we take a moment now...

Thank you Fr. Chuck!

May Christ's light continue to grow in you as you share that light with all of us!!!
